## **Content of the Meeting:**

The members of the working group discussed various issues related to the degree of achievement of the project objectives set out in the application. Disciplines selected for implementation in the bachelor's and master's degree programs, according to the respective educational levels and lifelong learning courses, were presented.

The timelines for conducting training activities in Spain, Italy, and Germany, as well as the candidates who will undergo the training, were discussed.

Additionally, questions were raised regarding the organization and delivery of a project presentation to engage stakeholders. The project coordinator proposed conducting a survey of their needs.

## **Following the discussion, the participants agreed on the following actions:**

- To provide the consortium with the data of participants in the upcoming mobility program for training purposes to obtain the necessary invitations;
- To request the consortium members to organize training in a hybrid format to involve more interested faculty members;
- To conduct a project presentation for stakeholders within the framework of the Career Festival 2024 and to carry out a survey of their needs;
- To prepare an article about the project for the local newspaper.

## **Conclusion:**

The meeting was successful; all issues were addressed, tasks were assigned, and deadlines were agreed upon. The work continues according to the established schedule.
