

INFORMATION LETTER

I International Scientific and Practical Conference “Spiritual and cultural heritage of the Kazakh nation in Shokan Ualikhanov's works”

April 18, 2025

Dear colleagues!

We invite you to take part in the I International Scientific and Practical Conference “Spiritual and cultural heritage of the Kazakh nation in Shokan Ualikhanov’s works”, which will be held on April 18, 2025 in Astana on the basis of the Academy of Physical Education and Mass Sports.

The aim of the conference - is a comprehensive discussion of the spiritual and physical development of the nation through the prism of the heritage of the great Kazakh scientist, ethnographer and thinker Shokan Ualikhanov. Special attention will be given to the issues of harmonious development of personality, interaction of traditional values with modern challenges and the role of historical heritage in the upbringing of future generations.

Teachers of secondary and specialized secondary education (schools, colleges), teachers of higher educational institutions, native and foreign scientists, education specialists, researchers, doctoral students, master's students, and students of higher educational institutions are invited to the conference.

Scientific directions of the conference

1. “Shokan Ualikhanov: historical heritage and geographical discoveries”
2. Continuity of Sh. Ualikhanov's educational heritage and modern educational paradigms
3. An ethnographic research of the Kazakh people in the 19th century

Official languages of the Conference: Kazakh | Russian | English

Forms of participation

Personal presence: speaker (offline/online presentation and publication of an article)

Audience (participation in discussions with (without) publication of the article).

Distance: publication of the article.

➡ Master classes (traditional sports: togyzkumalak, asyk atu, langi tebu) are planned within the framework of the conference.

The conference proceedings will be published as an electronic collection of articles. The collection will be assigned the appropriate library indexes UDC, and International Standard Book Number (ISBN).

Requirements to the design of materials for publication

General requirements. Conference materials in the form of a scientific article should be made with the help of Microsoft Word with the extension .doc (.docx), font Times New Roman, 12 point font, margins 2.0 cm on all sides, paragraph indent - 1.0 cm (it is not allowed to indent with the help of the keys “space” and “tabulation”), interval 1.0, text alignment by width. Compacting intervals is prohibited. Initials in the text and references relate to the surname using “unbroken space” - I.M. Sultanov). The volume of materials is from 3 to 5 A4 pages format.

Line-by-line design of materials:

1. **MRNTI** (uppercase, left-aligned, font size 12 pt);
2. **Title of the article** (in capital, bold letters, center alignment, font size 12 pt) (depending on the main language of the thesis - in Kazakh or Russian, necessarily in English);
3. **Initials**, surname of the author, academic degree, academic title, position (alignment in the center, font size 12 pt) (depending on the main language of the thesis - in Kazakh or Russian, necessarily in English);
4. **Name of the organization** (in full), city and country (alignment in the center, font size 12 pt) (depending on the main language of the article - in Kazakh or Russian, necessarily in English);
5. **Abstract.** Should be depending on the main language of the article - in Kazakh or Russian, necessarily in English, include a characterization of the main topic, the problem of scientific article, the purpose of the work and its results. In the abstract, it indicate what new bears in itself the presented material in comparison with others, related on the subject and purpose. For English-speaking participants, it is possible only in English. The abstract should be up to 50 words (italic font, width alignment, font size 12 pt);
6. **Keywords.** As keywords can be used both single words and word combinations in singular and nominative cases, which are separated from each other by a comma. The recommended number of words - from 5 to 7 (italic font, width alignment, font size 12pt) (depending on the main language of the thesis - in Kazakh or Russian, necessarily in English);
7. **Forms of the list of references.** The list of references (from 5 to 7 sources) is obligatory, arranged in accordance with GOST 7.1-2003, font Times New Roman, font size 12 (an example of design is attached).
8. The text can include graphic images and tables in black and white color, for which it is necessary to indicate their location in the article by references, for example - Fig.1, Fig.2, Tab.1 in word format. Total not more than 2 units.

9. Responsibility for the quality of translation into English of individual parts of the article confirmed on the author of the publication, the use of automatic machine and online translators is unacceptable.

10. Articles received by the Organizing Committee **later than March 20, 2025** or without any of the above requirements will not be published.
